Imbolots are attack minions that were a recent addition to the game. It is still currently in beta. They come in three varieties: Harbingers, Hydra, and Emissaries. Imbolots are one of the harder minions to kill, and they are often used in the early game to farm gold. Harbingers have the basic form of a flock of flying, flaming, reptiles. Hydra have the form of long snakes. Emissaries have the form of either a large bear, or a bird. They are easily identified by a kind of magical aura around them. On a specific hero, attacks from Imbolots will add to your ultimate meter. You have a certain amount of ultimate energy, and per-minute you can spend it on either an ultimate, or an attack. You can also have a single ultimate and a single attack that share that same use of ultimate energy. You will get a notification every 10 minutes that tells 6d1f23a050
